

DELUXE
—
RANGE

Stylish and capable...

The upgraded Deluxe range combines all the sea-keeping capabilities of our Ocean Master range, with the looks and feel you demand of a family RIB.

From 3.5m to 5.4m there is a DL that will suit your requirements either as a tender or a long distance family cruiser. Internal fuel tanks on every boat keep your decks clear whilst their load carrying ability is second to none. The integrated rear bench with huge storage compartment makes carrying your kit for longer passages a breeze.

Brushed EVA teak flooring, internal LED lighting, recessed cleats & high quality upholstery set this range apart from the competition.

*includes console, seat

DL350

Luxury touches which include teak decking, recessed cleats, LED courtesy lights and luxury upholstery make the new Deluxe 350 a high class craft.

DL420

A great all rounder. The comfort and looks your family want but with longer distance capability. Self-draining deck and integrated fuel tank means you can explore further.

DL500

A seriously capable RIB in all conditions. A spacious, stable, quick & comfortable RIB ideal for larger families or groups of friends. EVA teak decking adds comfort to any voyage.

DL390

The same capable hull as the OM390 yet with that stylish edge means the DL390 is versatile enough to be a family RIB, club boat or yacht tender.

DL460

Built to go anywhere with great offshore or distance cruising capability. Self-draining deck. One of the most spacious 4.6m available.

DL540

With serious long distance capabilities, you can cruise in style with the DL540. The 24° deadrise hull can tackle anything you can throw at it, keeping you comfortable at the same time.
