

SPORT — RANGE

Our flagship model continues to evolve...

The Sport 760 is based on one of the best offshore hulls on the market - our Patrol 760. The Sport 760 combines a huge sundeck, luxury seating and upholstery, brushed EVA teak decking & optional windlass with a sleek, sharp wave crushing hull.

The 285L fuel tank will give you a range that will enable you to experience just how good this boat is, in complete comfort with family and friends. When you're done eating up the miles use the table for a relaxing picnic, enjoy a swim from the rear swim platforms and sunbathe on the seriously comfortable sundeck.
